Google Review

This bank is one of the best kept secrets. Customer service is phenomenal. I appreciate Trixie with her warm inviting voice always willing to help. Stacy always willing to go over and above for a customer. And there's a Larry smiling also willing to help. I really have to give it to this bank. Telcoe isn't like the other large Bank ready to take your money and fees keep doing a great job guys

50/30/20 MONEY RULE

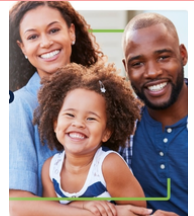

The **50/30/20 rule** is the golden ratio for your finances. It's a simple yet effective way to manage your income. Allocate 50% to your needs, the essentials that keep your life running smoothly. Then, 30% goes to wants, those little joys and indulgences that make life worth living. The other 20% for savings and debt repayment. It's a simple way to manage finance and prioritize spending.
